THE GAME - You are the hunter and the hunted as you stalk your opponents around the combat zone of the future. Atmospheric and fun, the LASER FIGHTERS brand new arena is a battle-ravaged city of strange lights, sounds and special effects that will sharpen your senses as you creep around fog-filled corridors, ramps and elevations in search of your enemies. Your vest not only fires a visually stunning but harmless laser beam but also emits exciting sounds, lights and vibrations (for when you've been hit) - it will even talk to you! Check your progress on the LED panel too. Dare you enter creepy corridors? Will you find the power pods? Can you avoid the mines? Who will get the top score? There's only one way to find out!

Each game is a twelve-minute session with a fifteen-minute break between.

*Shoes or trainers MUST be worn - NO SANDALS OR FLIP FLOPS PLEASE!*

***Please note non-toxic smoke and strobe lighting special effects are normally in use.***

*For reassurance and safety reasons all games are CCTV recorded, monitored and displayed in the reception area*

PARTIES! - **Minimum of ten players. Must be pre-booked with a £50 deposit. Allow two hours from arrival.**

Guests are entitled to three games Friday – Sunday and exclusive use of the arena and party area - **bring your own food** if you wish to (don't forget the cake!). Book your party Monday – Thursday and get a complimentary free game! Ask at the desk for large group discounts.

Arrival - Players names are taken and entered into the vest they will be using throughout their visit. A table will be made available for your exclusive use which can be decorated by the party organiser beforehand if required. Players are given a few moments to acquaint themselves with their surroundings before being taken into the armoury room for a full safety and rules briefing. The first game will then begin. This will be followed by a ten-minute break before the next game - time to eat and argue over the scores! (Each player will be given their own score card at the end of each game with details of how many shots they fired, who they hit, who hit them, etc.) This pattern will be repeated until all the booked games have been played. Depart when you are ready - we allow plenty of time between parties so there's no need to rush.

**LASER FIGHTERS IS OPEN EVERY DAY FROM 4pm to 10pm (10am to 10pm WEEKENDS AND BANK HOLIDAYS),  
12pm TO 10pm MONDAY TO FRIDAY DURING THE SCHOOL HOLIDAYS.**
